

## Suggestions for what to have on hand for rapid prototyping:

### Kitchen

Aluminum foil  
Plastic straws  
Plastic utensils (spoons, knives, etc)  
Paper plates  
Coffee filters  
Cupcake liners  
Clean sponges

### Office

Paper clips  
Binder clips  
Blank paper (colored is good)  
Sticky notes  
Sticky flags  
Brads

### Recycle

TP/Paper towel rolls  
Egg cartons  
Clean, used food containers  
Mint tins  
Empty tissue boxes  
Old, clean cans

### Must Haves

Pens/Pencils/Markers  
Scissors  
Tape  
If no tape, gluesticks or staples can suffice

### Seasonal

Ribbons  
Wrapping paper  
Gift boxes  
Tissue paper

### Bathroom

Cotton balls  
Cotton swabs  
Old medicine bottles  
Dental floss

### Things to Avoid

Anything wet  
Anything that needs drying time  
Things that are valuable/you don't want to cut or transform
